***Abstract Preparation Guideline for 1<sup>st</sup> International conference on Geoenergy  
and the Fifth National Petroleum Geomechanics Conference***

**First Author<sup>1,\*</sup>, Second Author<sup>2</sup>, ...**

**ABSTRACT**

In order to ensure uniform style throughout the volume, all the manuscripts have to be prepared strictly according to the instructions set below. Authors of papers should use MS Word 6.0 (and higher). Please check whether the abstract looks the same as this sample: **The extension of abstract should be between 200 and 300 words and** must be typeset in 10 pt Times New Roman font. When you finished your paper, please print it out and compare it with the layout for these instructions, making all relevant corrections. Failure to comply with these instructions will result in rejection of the manuscript.

***Keywords: Geoenergy, Petroleum Geomechanics, Author's Guide, Instructions, IGC2025***
